

BRIEF SUMMARY OF CLUB WORLD, INC.

Our organization consists of various clubs and single members. Our policy has been to strive to promote social morale, civics, recreational and educational welfare among all members. We drew up a plan whereby we thought would bring clubs in Northern, New Jersey closer by working together in harmony. We charged clubs a membership fee of Ten Dollars (\$10.00) from one to twelve members, membership exceeding twelve would be One Dollar (\$1.00) extra per member. Single membership was \$1.00 per year, this year we are charging an Initiation Fee of One Dollar \$1.00, and Twenty-five cents (25¢) weekly dues, our new plan which we call Club World Contract Plan is a fee of Twenty-four Dollars (\$24.00) a year.
